

PREMIUM PLASTIC RAW MATERIALS FOR A SUSTAINABLE FUTURE

ABOUT US

Axiora Materials is a trusted manufacturer and supplier of premium plastic raw materials. Built on a foundation of quality, innovation, and integrity, we deliver reliable solutions that empower industries to grow, perform, and lead the way to a better tomorrow.

QUALITY

Delivering consistent quality with excellence.

INTEGRITY

Conducting business with honesty, transparency and ethical practices.

INNOVATION

Continuously innovating to create advanced solutions for evolving needs.

COMMITMENT

Dedicated to our customers and building long-term partnerships.

WE POWER INDUSTRIES.

WE SHAPE TOMORROW.

Our high-performance plastic raw materials are used across a wide range of industries, helping manufacturers create products that improve everyday life.

WHAT WE DO

We specialize in the sourcing, processing, and supply of high-quality plastic raw materials that meet the diverse needs of modern industries.

PREMIUM RAW MATERIALS

Carefully sourced materials for superior performance.

ADVANCED TECHNOLOGY

State-of-the-art processes and stringent quality control at every step.

RELIABLE SUPPLY

Consistent availability and on-time delivery you can depend on.

CUSTOMER FOCUS

Tailored solutions and dedicated support for your success.

PRODUCT RANGE

Premium Plastic Raw Materials for Every Industry

At Axiora Materials, we provide a complete range of high-quality plastic raw materials to meet the diverse needs of industries. Our products are carefully sourced, processed, and delivered with a promise of consistency, performance, and sustainability.

GENERAL GRADES

Recycle HDPE

• MFI: 0.2 to 2.0

Recycle LLDPE

• MFI: 1.0 to 2.0

Recycle LDPE

• MFI: 1.0 to 2.0

Recycle PP

• Injection Moulding Grade
• Raffia Grade

Recycle PC

Recycle Rotomoulding Polymers

VIRGIN MATERIALS

PVC Resin
